

# End User License Agreement

## AMHUSE Dataset

By signing this document the user, he or she who will make use of the database, agrees to the following terms.

### 1. Commercial use

The user may not use the database for any non-academic purpose. Non-academic purpose include, but are not limited to:

- proving the efficiency of commercial systems
- training or testing of commercial systems
- using screenshots of subjects from the dataset in advertisements
- selling data from the dataset
- creating military applications
- developing governmental systems used in public spaces

### 2. Responsibility

This document must be signed by a person with a permanent position at an academic institute (the signee). Up to five other researchers affiliated with the same institute for whom the signee is responsible may be named at the end of this document which allow them to work with this dataset.

### 3. Distribution

The use may not distribute the database or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. Note that publications will have to comply with the terms stated in article 5.

#### **4. Access**

The user may only use the database after this End User License Agreement (EULA) has been signed and returned to the PhuSe Lab at Università degli Studi di Milano. The signed EULA should be returned in digital format by uploading it to the website when requesting an account at:

<http://amhuse.phuselab.di.unimi.it> The user may not grant anyone access to the database by giving out their user name and password.

#### **5. Publications**

Publications include not only papers, but also presentations for conferences of educational purposes. All documents and papers that report on research that use any of the AMHUSE Dataset will cite the following paper:

Boccignone, G., Conte, D., Cuculo, V. and Lanzarotti, R. (2017) AMHUSE: A Multimodal dataset for HUmour SEnsing. In Proceedings of 19th ACM International Conference on Multimodal Interaction. (ICMI'17), ACM. DOI: 10.1145/3136755.3136806

The user will send a copy of any document or papers that reports on research that uses the AMHUSE Dataset to <[phuselab@di.unimi.it](mailto:phuselab@di.unimi.it)>.

#### **6. Academic research**

The user may only use the database for academic research.

#### **7. Warranty**

The database comes without any warranty. The PhuSe Lab at Università degli Studi di Milano can not be held accountable for any damage (physical, financial or otherwise) caused by the use of the database. The PhuSe Lab at Università degli Studi di Milano will try to prevent any damage by keeping the database virus free.

#### **8. Misuse**

If at any point, the administrators of AMHUSE Dataset and/or PhuSe Lab at Università degli Studi di Milano have a reasonable doubt that the user does

not act in accordance to this EULA, he/she will be notified of this and will immediately be declined the access to the dataset.
